RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This paper is responsive to the Notice to File Corrected Application Papers. In accordance with a telephone conference with Ms. Roxanne Rawls on July 1, 2001, it is Applicant's understanding that the Patent and Trademark Office initially misclassified the divisional reissue patent application as a normal "Utility" application. Ms. Rawls indicated that she placed the file in a "Reissue" jacket and requested that we fax a copy of the original application in double column format in accordance with the reissue application formal requirements. Applicant satisfied that request on the same day.

It is Applicant's understanding that no further response is required. If Applicant's understanding is incorrect, Applicant respectfully requests that the Patent Office contact the undersigned attorney at the telephone number listed below so that the matter may be addressed.

Respectfully submitted,

James E. Howard
